Harvest Season Ministries Board of Directors:

Steve Gentry—President

Jon Isaacs—Vice President

Doug Padgett—Secretary

Zane Estis—Advisor

Brent Boutwell—Advisor

What a prosperous journey it was! HSM was so honored to have a great team accompany us to the DR at the beginning of the year. The trip was full and very fruitful as we checked on current properties, outlined upcoming construction needs, corresponded with our National Pastor and his wife, preached on street corners, distributed bibles and gospel literature, brought much needed supplies to local school children, furnished the local school in Lavapie with computer supplies and presented the gospel to those children with bibles to take home and read for themselves.

This team was tops!--Giving out over 250 bibles and 400 Gospels of John, helping with school needs, repairing maintenance needs, and perhaps most importantly—building lasting relationships with people we hope to one day see in heaven!

I was amazed when Bro. Craig Benner, asked approximately 100 students, “How many of you already have a bible?” I expected to see nearly every hand casually go up, but to my surprise, only one boy was able to raise his hand. Only one! They all received the bibles, and unlike what we may see here all of them seemed to treat the Word of God with respect and gratitude!

Until all have heard...

I know we can't reach them all, but we can make a dent in the Devil's plans and ask God to open their

eyes with His marvelous light! **The harvest is great, but laborers...well that's where you come in! I'm asking God to raise up laborers: Those who will go and those who will give.** Interested? Contact us...there's a place for you and this may just be it!

Bro. Zane Estis
