Greetings in the Name of our Lord and Savior Jesus Christ!

It is my privilege to present a summary of the recent HSM construction trip. My last trip to the Dominican Republic was in 2013. On that trip, we were looking for a city from which to base our operations. One city rose above the others in our estimation, San Juan de la Maguana. "San Juan" is the capital of, and largest city in, the providence of San Juan; and the 10<sup>th</sup> largest city in the D.R.. Although our pick back in 2013, a base of operation in San Juan seemed like a faraway dream. But when you are doing a work for God, impossible things are bound to happen! Through a truly amazing series of events, HSM now has a base of operations in Lavapie, which is on the outskirts of San Juan de la Maguana! Much more could be said of how this came about, but that is a story for another time.

*When you are doing a work for God, impossible things are bound to happen!*

The recent construction trip was literally the groundbreaking of our new property. Our goal was to build a block storage facility and an outhouse. The trip was meticulously planned by our President, Bro. Steve Gentry; who was also to serve as trip director and on-site project manager. Bro. Gentry even flew to the D.R. the week before the crew was to arrive to make preparations. By God's enabling grace and Bro. Steve's careful planning, the trip was a success!

By Monday night, the land was cleared and footers had been poured. By mid-day Friday, the building was dried-in and phase one of our current project was history.

Before we left the job-site, Bro. Steve Watts preached a short sermon in Spanish to the local helpers and visitors. Tears were shed and hearts were touched. I truly believe seeds of a great work for God were planted that day.

On behalf of Harvest Season Missions, I would like to thank the brothers who took time away from their families and jobs to labor on this project. You were some of the hardest working, yet easiest to work with, men I have ever met. I would also like to thank every financial supporter. You may never travel to the D.R. physically, but by your giving, you go when we go.

Thank you,

Yours in Christ,

Jon Curtis Isaacs
