Until all have heard...

Greetings in the Name of the Lord!

The Lord is good and continues to supply our every need at Harvest Season Ministries.

I am thankful for another safe trip to the Dominican Republic. We were kept safe as Hurricane Maria passed by the island. Bro. Zac Padgett, Bro. Cliff Foster, Bro. John Meredith, Bro. Matthew Murray and Bro. Scott Sumner accompanied me on this trip.

We arrived in the Dominican a week later than we had planned due to Hurricane Irma. We are learning that the process to remove a container from the port in the Dominican Republic is quite intense. After one week, we had located the container and inspected it, but had just begun the needed paperwork. Hector Quezada, a native Dominican, flew in from the states to help with the procedures. As I write this newsletter, he informed me that we are about two weeks away from having everything done. Please pray that we will be able to finish this process quickly.

We were blessed to be able to go by and visit the Sabaneta Orphanage. Bro. Fonzo Randolph and Bro. Jerry Powell started this work in March of 2006. Bro. Fonzo has maintained this work for several years. We held an impromptu service and left 50 pairs of shoes for the children. The Orphanage children were amazing. They were the best-behaved children that I have ever seen in the Dominican Republic: this is a great testimony to the success of the orphanage. If you are looking for a holiness orphanage to sponsor, this is a tremendous work.

The brothers were able to work on pastor Narciso's house but most of the material was still in the container, so we will try to finish this project soon.

We are looking forward to a ministry and work trip in February. If you would like to go with us, please contact us. May God bless you for your continued support.
