*Until all have heard...*

Greetings everyone! We had a wonderful trip to the Dominican Republic this past week. We were blessed with a large group of 25 people.

We started out each morning with prayer for Bro. Steve and Sis Rochelle Gentry and their family. We are believing with them for a miracle. On Tuesday morning, we went to the school at Lavapie, where we had a church service with the children. Our youth really enjoyed visiting the school.

That evening, we went out on the streets of San Juan and handed out Gospel tracts. We were privileged to pray with one man, who told us he would like to be delivered from alcohol.

Wednesday, we traveled to Batista. We took several suitcases full of clothing for Bro. Narciso to distribute to the people. Our young people passed out

notebooks and candy to the children that came out in the streets. We also sang songs, prayed for the pastor and his wife, and Bro Jeffrey briefly spoke to the crowd.

Thursday morning, we packed backpacks with notebooks, pencils, toothbrushes, toys, and candy. HSM hired men to come in with a motor grader to clean up the land. It looked so much better!! We went back to the school at Lavapie and let our youth give out the backpacks. Westside church used their "Jesus dollars" to buy a basketball goal and two soccer goals for the school. That night we had a church service at Lavapie. It was so refreshing to feel the presence of the Lord and to see Him touching hearts.

We handed out Bibles, Gospels of John, and tracts. We were blessed to feed a crowd of about 150 people supper. On Friday, we traveled to the orphanage, where we were able to hold a small service. Our youth sang songs and our preacher brethren all had something to say. Then we were blessed to have them sing to us. We couldn't understand their language, but we very well understood what they were singing about. "At the cross, at the cross, where I first saw the light and the burdens of my heart rolled away. It was there by faith I received my sight and now I am happy all the day." We left feeling uplifted and

encouraged. All praise and glory is given to God for the safe travels. It was a rewarding trip and we are already looking forward to seeing them again!
