### Harvest Season Ministries Board of Directors

- Steve Gentry-President
- Jon Isaacs-Vice President
- Doug Padgett-Secretary
- Zane Estis-Advisor
- Brent Boutwell-Advisor

December is here! As the year comes to an end I can't help but reflect on God's goodness to Harvest Seasons Ministries. Through the support of God's people we have been able to purchase new properties, (the latest of which is a piece of land in front of the church in Batista), receive clear deeds on all our properties, build a warehouse, and become a nonprofit organization in the Dominican, as well as support Bro. Narciso and his wife as they continue faithfully to work for the Lord.

### Clear Deed On All Properties!

### New Property Purchased!

A tremendous door of opportunity has opened for us in the city of Lavapie. In October, Bro. Steve Watts was able to visit with the administrator of the school in Lavapie and they have granted us permission to give a gospel presentation in January. We will be allowed to give every student a Bible and teach them from the Word of God. We will be very student a gift bag that will contain a few small items and a copy of the gospel of John. Our plans are to let every student do the work of an evangelist and challenge them to give the gospel booklet to someone.

We also found out that the school is in need of a computer. The administrator mentioned how much it would help the students to learn typing and computer skills. After hearing this I felt that with every computer we could put in a school it would give us another open door to bring the gospel to the students and teachers. While preaching a revival in North Carolina at the Emmanuel Holiness Church where Bro. Robert Beavers is pastoring, I mentioned to the church that I had found a source to buy completely refurbished computers for \$150.00 each. Bro. Bobby Revels purchased the first computer and the church bought three more. These will be arriving any day. We will download a few educational programs and ship them over in January.

A few days ago, I received a call from the pastor at El Pinal. There was a small piece of land that HSM had desired to buy in front of the church. The owner had asked an inflated price back in February so we refused to continue the negotiations. Later, the owner contacted the pastor and said that he would sell the land at a better price. We were able to buy the land for 1/4 of the amount that he wanted in February. A brother who knew about the land called and said he wanted to send the money to purchase the land. Praise the Lord!

We will be raising funds to start building a fence around the property at Lavapie. If you would like to help with this project please contact us. We will build the back wall first. It is about 225 ft. long and will cost approximately \$4000.00 or \$18.00 a linear ft. Thanks for your prayers and support.  
*Bro. Steve Gentry*
