Greetings in the Name of the Lord!

Until all have heard...

We were blessed in November to travel back to the Dominican Republic with Bro. Jeff Smith from Flatwoods, Kentucky. Bro. Jeff was accompanied by five others from their church, two of which were nurses. Bro. Joaquin Torres and Bro. Jim Yeoman also went with us to help with interpreting.

The purpose of this trip was to set up a medical clinic in Batista. We flew in Tuesday and stayed in the capital Tuesday night. We tried to get medicine and a doctor in Santo Domingo, but it did not come through, so I called Elvis [yes, he is alive and well in the DR].

Elvis works as an interpreter for medical missions. Elvis contacted a doctor for us, and by Wednesday night we had a doctor, had purchased all the medicine, and were checking into our hotel in El Cercado. God is good!

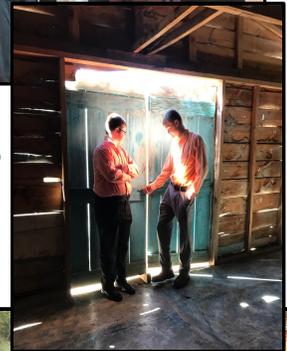

We saw over 200 people. It was amazing. We gave meds for parasites, rashes, respiratory problems, fever, coughing, and many other needs. One lady passed out in the clinic, which we had set up in Narsico's old house. The doctor gave her a bag of fluids to help with her dehydration.

We gave reading glasses and one lady was overjoyed—she had not been able to read in several years.

We told the people we would be back Sunday morning for Church and asked them to come back to receive clothing after service. Thirteen people came forward to be saved. Many were weeping. We had a tremendous altar service. We gave out about 15 boxes of clothing and shoes before we left.

We will be raising funds to continue construction on the church in Lavapie. Thank you for your continued support.
