Greetings in the Name of the Lord!

Until all have heard...

We're looking ahead to a great year for HSM. Seeing where the Lord has brought us and where we are today, I think we can only say, "To God be the glory"! It is nothing less than a miracle to see the properties obtained, facilities built, and ministries provided for throughout the years. From the first footer dug and the first street-corner sermon preached, to full scale Medical Mission teams, Public School Ministry services, Evangelistic campaigns and rural ministry outreaches, God has had His good hand over us.

1 Chronicles 12:32, reminds us, "...the children of Issachar... were men that had understanding of the times, to know what Israel ought to do". Thank the Lord for key men in key positions that had a discerning heart to know what was needed next. It's not always easy to look at an empty plot of land and envision a church. Not everyone has the ability to drive past a school and

realize the potential for ministry that sits in those desks. Nor is it a usual occurrence to foresee students from a bible school in America coming and witnessing to the people of San Juan.

Not many men see the need for a medical team, let alone the necessities to make it happen, in Batista. Again, God has been good to us.

And yet for all the great things that have taken place, there is still a missing key. There is still an overwhelming need of intercessors for this land. There is still a need for those who will not only prayerfully assist, but financially sacrifice for the work to continue. And there is a great need for the Lord to raise up others with a passion to go and preach in the Dominican Republic. Is that person you? Yes, you! Is the Lord using this letter to gently tap on your heart. Is the Kingdom waiting for you to shape history for eternity?
