Greetings in the Name of the Lord!

We will be flying over to the Dominican in May to finish the construction on the parsonage at Batista.

We would like to thank Bro. Bruce Parks and Bro. Fonzo Randolf of Sabaneta Orphanage for providing cabinets for the house in Batista.

The orphanage has a cabinet shop that teaches the boys how to build and finish furniture and cabinets.

These cabinets were built and donated through the Orphanage As you can see in the pictures, they did a tremendous job. The young men are not only being given food and shelter but are being educated, given spiritual guidance, and being taught how to work.

We also intend to go to Lavapie and begin preparations to build a church with a living quarters attached. The estimated cost of the foundation will be \$10,000.00 We will try to mark the location of the proposed church and level the ground if time permits. Please help us pray for this construction. A church is needed in this village.

HSM recently sent 100 Bibles to Ghana, Africa for Bro. Curtis Teague. Fifty were in the Twi language and fifty were in English. Thank you to all who donate to the Bible ministry.

Harvest Season Ministries is privileged to welcome Bro. Johnny Butler, Bro. Cliff Foster, and Bro. Silas (Doodle Bug) Carver to HSM. Bro. Butler will be acting as our Secretary/Treasurer; Bro. Carver will be an Advisor and on our General Board; and Bro. Foster will be helping on the Construction Committee.

We will be planning a trip in September. If you would like to join us, please contact us.

Bro. Steve Gentry
