Greetings in the Name of the Lord!

The Lord has given us another great mission trip!

We arrived in the Dominican May 21st. The weather was perfect and those who accompanied me worked diligently. Bro. Justin Sage, Bro. John Meredith, Bro. Craig Benner, Bro. Johnathan Prickett, and Bro. Tyler Sage. Thanks to the hard work of these men, we were able to complete the parsonage at Batista. To my knowledge, this is the only house in the village with running water. It also has a small hot water heater and an indoor shower. The pastor's wife was very excited.

In our last newsletter, we shared the vision of starting construction in Lavapie on a church. The foundation will cost an estimated \$10,000.00. A few weeks ago, Community Calvary Holiness Church in Adel, Georgia, sent a donation to pay for the foundation of this new work! We would like to thank the church for their vision to help in missions. We were able to hire a backhoe and clear an area to begin digging the footings on the church.

We also gave out about 50 boxes of shoes and clothing in a couple of various locations. One sister said, "Now I have some church clothes! These items had been shipped over in a container last October.

We stopped at a roadside stand and I gave an elderly lady a Bible. She began praising the Lord for His Word. When we drove off, she had the Bible held in one hand and the other hand lifted in praise to God. Thanks to all those who donate for Bibles and tracts.

We are looking forward to another trip soon.

Thank you for your prayers and continued support.
