Greetings in the Name of the Lord!

Despite being delayed from going to the Dominican in February, due to COVID related curfew restrictions, HSM was able to complete the first floor of its new church in Lava Pie! Many thanks to all those involved. A multitude of men and women worked together to make this come to pass. From the hands that handled tools to the knees that were bent in prayer, from those who gave moral support to those who offered financial assistance, we appreciate your concern.

In May, President Steve Gentry and Vice President Zack Padgett were scheduled to fly to the DR but were unable to attend at the last moment. I am reminded that nothing takes God my surprise. As one man asked, "Has it ever occurred to you that nothing has ever occurred to God?" Thank the Lord for the assistance of long time Missionary Craig Benner, the helpful labor of Bro. Clayton Hutson, from Oklahoma and the experience and expertise of Bro. John Meredith, from Douglas, Georgia. These men and others were vital in helping me facilitate the equipment and manpower necessary to complete the first step of this vision: to have a fully functional and one day, self-supporting, church in the district of San Juan de Maguana.

We now have an Intern Pastor who is working the area and maintaining the Church. His name is Bro. Felix Guzman. He has an excellent spirit and much like his name "Felix" (Latin for "Happy"), you'll find him with a smile. We ask you to lift him and his family up in prayer. The community needs a church that will preach truth and live holy.

Already, in just the first service, we've seen fruit come from our labors. We counted over 170 in house and estimated more than 30 that stood outside of the church listening. One man, Isaiah, gave his heart to the Lord the first Sunday we were there, but then made a public confession in our opening service.

To the right is Alejandro. He's a shoeshine boy that we've watch grow up over the last 9 years. He is 18 now; and in the Thursday service, he came to the altar with tears in his eyes asking the Lord to save him!

Thank you again for making a difference in eternity—shaping future history with your prayers and support. One day, heaven will reveal the

part you had in this and undoubtedly you will rejoice knowing His will was accomplished through your obedience.

*Bro. Zane Estis*
